Dear Sirs:

Please be advised I am requesting a hearing in the above-referenced matter.

The documents I was served with (which I never received as I was not living at the address they were sent to) concerning this case contained a cease and desist order regarding doing future business in the state of Arizona. As I had no plans to do so, I did not ask for a hearing to contest the order, however, I was not provided with any notice that your commission would be seeking restitution, fines or penalties of any kind. The only notice I have received to that effect was when I happened upon a memo authored by Matthew Neubert dated February 27, 2017 yesterday on-line. The memo was entitled "*proposed order to cease and desist, order for restitution, and order for administrative penalties...*"

Once again, I had no notice that your commission would be seeking financial penalties until yesterday. Accordingly I am respectfully requesting a hearing to contest the findings in this matter.

Sincerely,
Matthew Johnson
